Message from the President of the University

Dear students,

The state of Karnataka, where education and enlightenment have always been a culture, is among the front line states of the country known for providing quality education. It is no wonder that Karnataka has carved a niche in the educational map of India.

Bijapur, the city of magnanimous history and historical monuments, has since long, been a great seat of learning. If Salotagi a small hamlet of the district, was the most renowned centre of knowledge a few centuries ago, the B.L.D.E Association, founded in 1910, is the hope of the new generation of academic aspirants.

B.L.D.E. Association an educational institution par excellence forged out of the noble concerns of late Dr. P. G. Halakatti, late His Holiness Shri Banthanal Swamiji, the far sighted visionary, late Sri B. M. Patil and a galaxy of the most dedicated, duty minded board of directors, offers practically all kinds of courses under the sun.

The very fact that the B. M. Patil Medical College Hospital and Research Center, which is one of the very few institutions in India having 1000 bed hospital since its inception is just a little more than two decades old and has attained the status of deemed to be University echoes the melodies of quality medical education it is providing.

Come, join B.L.D.E University, the institution which will nourish your dreams & be competent and good professionals.

With best wishes,

Sri. M. B. Patil, BE.

Message from the Vice Chancellor

Dear students,

If one casts a look at the academic, professional and service oriented careers across the world, one would definitely find medical education and medical profession the most important and equally challenging.

The very face of the world is changing in view of globalization and the techno-scientific resolution. We have been the members of a "global family" competition, research, challenges and continuous abreasting with changing trends, are the characteristic features of the new found global academic culture.

Such being the scenario, naturally the students and the parents interested in medical education would be scouting such academic bodies that would ensure a grand treasure of knowledge, a faculty that would strive hard to quench the unstable knowledge thirst of the students, an infrastructure that is unique, inspiring and imposing, a campus, the very ambience of which would be deeply enchanting, the hostels that would be the hubs of peer group activities and a quality instruction that would match the best offered in the most renowned institutions of the world.

We, in the B.L.D.E University promise all these and much more, our academic canvas glitters with the most brilliant colours. Be a part of it, join B.L.D.E University.

With best wishes,

Dr. Sateesh S. Jigjini, MD (Path).

The Sponsoring Society

Bijapur Liberal District Educational Association (A century old)

BLDE association is a century old association involved in propagation of education in the Bijapur district and Bagalkot district which are recognized as socially, economically and educationally backward areas by then British Government and present UGC.

Shri F.G. Halakatti with other philanthropists of Bijapur founded a co-operative bank and an association with primary objective of propagation of education. Thus, Bijapur Lingayat Development Education Association (BLDEA) took birth on 23-10-1910.

The association made a humble beginning by accepting to run a High School handed over by a German Mission who was returning to Germany because of World War-I. Thus the journey towards the education started.

In the year 1942 a visionary religious leader Shri Shri Sanganabasaveshwar Maha Shivayogigalu of Banthanal, laid a firm foundation to BLDEA with establishment of institutes of collegiate education. He developed the association and established many institutions to impart Primary, Higher Secondary and University education.

In the 60s another great visionary, Shri B.M.Patil came for the service of this association. With his great vision and tenacity, a new dimension was given to association by establishing the institutions to impart the professional education. Thus the association established Engineering College, Law College, Pharmacy College, Nursing College and the Medical College.

A new era began when Mr. M.B. Patil, a young and dynamic leader, took reins of the BLDE Association. His primary objective was quality education. With recent concepts of liberalization and globalization he conceived the need for establishment of University. His dream came true with the establishment of BLDE University on 29-02-2008. The association has 1260 members on general body.

The association sponsors and runs 68 Institutions in both rural and urban areas of Bijapur and Bagalkot Districts. The spectrum covers Primary Schools, High Schools, Pre-University Colleges, Degree colleges in faculties of Arts, Science, Commerce, Law, Management, Education Science, Fine arts, Pharmacy, Nursing, Nursery, Sericulture, Engineering & Polytechnics, Medical sciences with Post graduate courses and the BLDE University.

The Biochemistry Laboratory is annually assessed by the External Quality Control Programme of Christian Medical College, Vellore, which evaluates laboratories on all India basis and our laboratory ranks amongst first 30 laboratories in India for past 10 years.

Teaching Faculty

The eminence of the staff has left its mark on both undergraduate and postgraduate teaching and has fetched name and fame. The faculty members have held high academic positions like Member of Medical Council of India, Director Curriculum development cell, Rajiv Gandhi University of Health Sciences, Bangalore, Members of Board of Studies of various Universities of Health Sciences, Bangalore. In addition to holding high positions in professional bodies of their respective specialties as Chairman, Secretaries and Presidents of State Association, Secretary or as Executive Committee Members. Many have been invited to be speakers at National and State Level events. Few of the faculty are on the editorial board and peer reviewers for International Journals and Indexed Journals like BMJ group of Journals and publications. The academic performance of the students is excellent. The examination results range within

70 to 95% with at least 30 to 40% securing first class and a few distinctions. Extracurricular activities are encouraged and the students from the institute regularly take part in Zonal, Inter zonal, University, Inter-University meets. We share a significant number of prizes awarded every year at such events. Significant number of our students are University blues in various events.

Research

Research is well taken by our students. They regularly undertake ICMR projects, present papers in State Level Conferences, participate in Quiz Competitions. Many students won laurels at various levels. The teaching faculty is involved actively in research which results in significant number of publications every year. The Scientific and Research Society of the Institute has regular fortnightly meets and provides a platform for case presentations, paper presentations, panel discussion and CPCs. In addition, Guest Lectures by eminent medical personalities are arranged regularly. The institution has hosted Ten State Level Conferences of various specialties and Four National Conferences so far, in addition to numerous Continuing Medical Education Programmes. Scientific and Research Society Publishes its own in house publication titled Analytica Medica, twice a year. This Journal publishes scientific articles contributed by the students and faculty and invited articles.

- **Candidates are not allowed to go out of the room temporarily for any reason during the test duration.**

Grounds for Disqualification

The BLDEU-UGET-2010 Chief Superintendent is authorized to disqualify a candidate from a test session for:

- Attempting to take the test for someone else (Impersonation)
- Failing to provide acceptable identification when asked for or creating disturbance at the test venue.
- Giving or receiving unauthorized help.
- Using any forbidden / unauthorized aids, such as personal computational devices, pagers, cell phones etc.
- Leaving the test centre within the first 15 minutes after commencement of the test.
- Failing to adhere to any of the other procedures and regulations cited.
- Refusing to follow directions as stipulated by the invigilators etc. Requests like use of toilet during the test will not be entertained. Failure to comply with the test procedures & regulations or with the Chief Superintendent's directions, can result in the University taking action/s that include, but are not limited to, barring candidates from future testing and/or canceling the candidates test scores and forfeiture of test fee.

The Final Rank list

Any verifications / clarifications sought by the applicants will be put forth to the Committee for their consideration and the decision given by the committee will be final and shall be binding on all. No further claims will be considered. The final merit / rank list will be generated based on the performance in the entrance test and the same will be published on **4th June 2010**.

Inter-se Merit

Ties in the test scores, if any, will be resolved on the basis of the Inter Se Merit as defined below:

1. Aggregate marks secured in Chemistry and Biology in the entrance test shall be compared and candidate having higher marks shall be awarded higher rank.
2. In the event of tie in aggregate marks, marks in Biology along with the entrance marks test shall be compared and candidate who secures higher marks in Biology will be awarded higher rank.
3. In case tie in the above, age of the candidate shall be considered and the candidate elder in age shall be ranked higher.
4. In case of tie of all the above, higher rank will be awarded on random selection.

BLDE University will not accept any other qualification of entrance examination conducted by any other agencies to determine the inter-se merit.
