## **GUIDELINES FOR ENTRANCE TEST:-**

### **Pattern of Entrance Test**

The AIET 2009 will have one question paper. The test will have duration of 3 hours and would comprise of 200 Multiple choice Questions (MCQ) of the Objective Type. Each question will carry 1 mark and the questions will be in English. The syllabus for the entrance test has been displayed on the web site of the University.

### **Regulations at the Test Centre**

The examination hall will be opened 30 minutes before the commencement of the test. Each candidate is allotted a hall ticket number. He / She should find out and occupy the seat with the allowed number. The invigilator at the examination will start giving general instructions 15 minutes prior to the commencement of the examination. Candidate must carry their Hall Ticket with them and produce it on demand for admission to the test hall. Candidates will not be allowed to write the test if they do not carry a valid Hall Ticket issued by the University with them. The invigilator will check Hall Tickets of the candidates, during the test, to check the identity of each candidate. While this is being done, the candidates must sign the attendance sheet in the presence of the invigilator. The invigilator will also put his/her signature in the place provided in the Hall Ticket and Attendance Sheet.

At 10.45 am the candidates will receive an Answer Sheet. They must ensure that the Answer Sheet they have received is correct and properly printed. At 10.5 am the candidates will receive a Test Booklet for AIET2009. They must ensure that the Test Booklet received by them is correct and printed properly.

No candidate will be allowed to enter the examination hall after 11.00 am. Candidates will have to remain seated in the examination hall till the completion of the duration of the test. Once a candidate leaves the hall He/ She cannot return under any circumstances. Candidates are expected to maintain perfect silence for the entire duration of the examination. Any conversation or gesticulation or disturbance in the examination hall shall be deemed as misbehavior.

The Admission Committee will take strict action against the candidates, who use unfair means or impersonation. Such candidates will be asked to leave the examination hall immediately and they will be liable to be debarred from taking examination either permanently or for a specified period to be decided by the University. The Admission Committee will reserve the right to withhold the result of such candidates.

All the entries must be made using a Black or Blue Ball point pen/HB pencil. Wherever the entries have to be marked in the circles, it should be done by completely darkening the corresponding circles.

Candidates must stop marking the answers when the warning bell rings at the closing time. After completing the test and before handing over the Test Booklet and the Answer Sheet, the candidate should check again that all the particulars required in the Test Booklet and Answer Sheet have been correctly written. The Answer Sheet of the candidates who do not submit the Test Booklet before they go out of the examination hall will not be evaluated. Such candidates will be debarred from writing the test in future.

Candidates will not be allowed to carry any textual material (printed or written), or any other material except the Hall Ticket inside the test hall. Candidates are also not permitted to carry any device that is likely to be of unfair assistance. Smoking in the test hall is strictly prohibited. Any kind of eatable or drink is not allowed into the examination Hall.

### **Marking of Answers:**

Each Multiple Choice Question will have four responses labeled A, B, C and D. Only one of the four responses is the correct or most appropriate answer. Candidates should indicate the correct or most appropriate answer by darkening the appropriate circle completely with blue or black ball point pen/HB Pencil. The questions can also be in form of incomplete statements. The candidate should appropriately mark one of the four responses, which complete the statement. The candidate should mark their answers as shown below. A Computer using Optical Recognition will evaluate the answer sheet. The following example illustrates the correct method of indicating the answer. Question no.

98 in the Test Booklet may read as follows:

98. According to Newton's First Law of Motion

- A  $F = ma^2$
- B  $F = m^2a$
- C  $F = ma$
- D None of the above

The correct response is C. The candidate will locate question no. 98 in the Answer Sheet and darken the circle C as shown below: (There is only ONE CORRECT WAY of indicating the answer)

	A	B	C	D	
98	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	wrong
98	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	wrong
98	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	wrong
98	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	wrong
98	<input checked="" type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	wrong
98	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	wrong
98	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	right

If more than one circle is darkened or if the response is marked in any wrong manner as shown above, it shall be treated as wrong answer. Candidates must ensure that the Answer Sheet is not folded and they make no stray marks on it. If pencils other than HB are used to mark the answers, the Optical Scanner on which the Answer Sheets are scanned can reject the Answer Sheet. Candidates must bring their own pen, pencils, erasers and sharpeners. Candidates must bring their own pen, erasers. They are not allowed to take anything from the other candidates during examination. The order of questions is not the same in all Test Booklets and they are jumbled. Candidates should never change their Test Booklet during the test.

### Changing the Answer

If a candidate wants to change any answer on His / Her answer sheet, He/She must erase completely the existing mark and then darken the appropriate circle. To facilitate this, the candidate will have to mark correct option with blue or black ballpoint pen/HB pencil. An answer will be treated as wrong if there are marks on a circle other than darkening the circle for the correct answer. Also a lightly or faintly darkened circle will be treated as wrong and will be rejected by the Optical Scanner. Candidates are advised to decide about the answer before they mark it on the answer sheet. This would save some valuable time, which would otherwise get wasted in erasing the marks and re-doing them.

### Rough Work

If a candidate wishes to do some rough work, then it should be done in the Test Booklet itself. It should not be done on the Answer Sheet.

### Scoring

Each Question carries one mark. There is no negative marking. If the answers are not marked correctly, then it will be considered as a wrong answer. Also no request for revaluation or re-checking will be entertained.

### Disciplinary Measures Against Ragging

The Padmashree Dr.D.Y.Patil University does not allow ragging in its campuses including Hostels. We have anti-ragging Committees to monitor and prevent ragging.

This is as per the guidelines of the University Grant Commission (UGC). Here is an extract from the report of the Committee Constituted by the University Grants Commission to frame guidelines to curb the menace of 'ragging' in University & educational institutions.

### Forms of Ragging

Ragging is found to take the **following forms (the Sst is only indicative**

and not exhaustive) Crisp orders

- ♦ To force to do acts with sexual overtones, including homosexual acts;
- ♦ To force to do acts which can lead to physical injury/ mental torture or death;
- ♦ To strip, kiss, etc.;
- ♦ To do other obscenities

### Punishments

The following could be the possible punishments for those who are found guilty of participation in or abetment of ragging. The quantum of punishment shall, naturally, depend upon the nature and gravity

of the offence as established by the Disciplinary Committee or the Court of law.

1. Cancellation of Admission.
2. Suspension from attending classes.
3. Withholding/withdrawing scholarship/fellowship and benefits.
4. Debarring from appearing in any test/examination or other evaluation process.
