PRAVARA INSTITUTE OF MEDICAL SCIENCES (Deemed University)

Introduction:

"Pravara Institute of Medical Sciences" was given a status of University on 29th September, 2003 vide MHRD Notification No. F.9-11/2000-U.3 on the advice of University Grants Commission under section (3) of UGC Act 1956. The Pravara Institute of Medical Sciences, popularly known as PIMS is located in Pravara Medical Trust complex in village Loni, Tal-Rahata, Dist-Ahmednagar in Maharashtra state. The complex is spread over 129 acres of land. The complex is "Green", beautifully developed and landscaped from utility and aesthetic point of view. The serene and natural environment makes PRAVARA COMPLEX a unique place. The complex houses following constituent institutions under the ambit of PIMS.

1. Rural Medical College – Est. in 1984
2. Rural Dental College – Est. in 1989
3. College of Physiotherapy – Est. in 1997
4. College of Nursing – Est. in 2000
5. Center for Social Medicine – Est. in 2001
6. Center for Biotechnology – Est. in 2004
7. School of Bioscience Management - Est. in 2005

Besides these institutions, 800 bed Pravara Rural Hospital is also housed in the same complex. The hospital is fully equipped with most modern diagnostic instruments and life support equipment with all necessary facilities.

The constituent institutions of PIMS offer undergraduate and postgraduate courses in Medical, Dental and Allied Health Sciences. The undergraduate and postgraduate courses offered by

PIMS are recognized by Medical Council of India, Dental Council of India; Indian Association of Physiotherapists, Indian Nursing Council, Rehabilitation Council, and University Grants Commission, New Delhi. To fulfill the needs of comprehensive health care, PIMS also offers education and training courses for Nurses, Midwives, Medical laboratory technicians, X-Ray Technicians, Dental Mechanics and Dental Hygienists. The PIMS also conducts regular short-term courses and workshops for grass root level health workers, Traditional Birth Attendants (TBA's), opinion leaders etc. The PIMS provides health care services from primary to tertiary level to people of western Maharashtra region and has attained a status of a Major Referral Center.

Besides providing state-of-art health care to rural people, PIMS has undertaken many research activities in the field of Medicine, Social Medicine, Dentistry, Medical Biotechnology, Ayurvedic Medicine etc. PIMS also provides Tele-medicine services to the rural people through its Primary Health Centers and Health clubs.

PIMS has several international collaborations with leading Universities such as Skovde, Linkoping, Milano, Pecs, Grieswald etc. Under these international collaborative programmes, we undertake research and development programmes, faculty and medical staff training as also faculty and students exchange programmes.

PIMS is a Member of Association of Common wealth Universities, UK.

RURAL MEDICAL COLLEGE

The objective of the college is to lay a foundation of medical manpower that would identify and deal effectively with the peculiar problems faced in implementing a rural healthcare program. The college was established in 1984 with the starting of Undergraduate course (MBBS) with an intake of 100 students. The intake capacity has been subsequently increased to 125 from 1996. The college was affiliated to University of Pune till 1997-98. From the academic year 1998-99 the affiliation of the College was changed to Maharashtra University of Health Sciences, Nashik [as the state of Maharashtra established a Central University for all medical academic institutions in the same academic year]. The college obtained recognition from Medical Council of India in 1989 for undergraduate course. Since September 2003, Rural Medical College is one of the constituent colleges of Pravara Institute of Medical Sciences.

As the college grew in academic excellence at undergraduate level, the need for starting Post-Graduate courses naturally arose and hence following Post-Graduate courses were started from June 1991.

1. M.S. (Anatomy)
2. M.D. (Physiology)
3. M.D. (Microbiology)
4. M.D. (Pathology), D.C.P.
5. M.D. (Pharmacology)

Extensive pre-clinical and clinical training is imparted to the students at Rural Dental College and Hospital as well as its well equipped peripheral clinical wings.

COLLEGE OF PHYSIOTHERAPY

To impart the much needed physiotherapy and occupational therapy training, the College of Physiotherapy was established in 1997 and

introduced Bachelor of Physiotherapy (B.P.Th.) course in the academic year 1997-98. The college was affiliated to Maharashtra University of Health Sciences, Nashik; however, it has now become a constituent institute of PIMS, from academic year 2004-05. The college is also approved by Indian Association of Physiotherapists (IAP) New Delhi.

From the academic year 2004-05, Post Graduate courses in Physiotherapy have been started after having obtained permission from IAP in the following subjects.

1. Musculoskeletal Sciences
2. Neurosciences
3. Cardio-Respiratory Sciences
4. Community Physiotherapy and Rehabilitation

The practical training to the students is imparted at state-of-art Physiotherapy and Rehabilitation center attached to the Physiotherapy College. Moreover, students also get hands on training under the expert faculty of Medical College and Pravara Rural Hospital. Students expand their horizons of therapeutic and rehabilitation concepts through involvement in community based rehabilitation programmes and other “outreach” activities. Hands on training to students is imparted in technical aspects of manufacturing of various aids and appliances such as calipers, artificial limbs etc. at a well equipped Orthotic and Prosthetic Workshop.

The students are also involved in various physiotherapy and occupational therapy camps and Rehabilitation projects sponsored by

Government of India and other international agencies.

The students of the college are immensely benefited from the observational and educational visits being organized to Schools for Disabled and NGO projects and Rehabilitation Homes in the state.

CENTRAL LIBRARY

The central Library of the Institute is one of the richest biomedical libraries in the country in terms of book and journal holdings and state-of-art facilities. The Central Library caters to the needs of the students, faculty and research workers of various disciplines-medical, dental, physiotherapy, nursing, paramedical and other allied health sciences in the campus. The Library is housed in an area of 13,500 sq. ft. with a spacious stack room with book holdings of more than 20,000 books, 6500 bound volumes, 600 CDs and journal subscription of 265 titles, of which 135 are international. Separate well – furnished Reading Halls are available for faculty, undergraduate and post graduate students.

A wide range of support services are available in the Library to meet the teaching, clinical and research needs of the Institute. Services include a well-equipped Audio Visual (AV) room with modern presentation and demonstration facilities including LCD projectors and separate Internet facility for faculty and students. The Library is a member of the MEDLARS-NIC-NET.

It is equipped with computers for CD reading, Xeroxing, cyclostyling machines, and direct Internet Connectivity.

b. **Mode of Payment** - The candidate will have to bring a demand draft of entire fees mentioned in clause (a) above in favour of "Pravara Institute of Medical Sciences", drawn on State Bank of India Loni Branch (Code 6322) or Central Bank of India Loni Branch (Code Pravara Medical Trust PUN) payable at Loni 413 736 Tal – Rahata Dist – Ahmednagar (MS) while reporting for counselling. Candidate will have to pay the fees for the course to which he/she is offered admission, failing which the admission offered to him / her will be treated as cancelled and no claim for admission will be retained and the same seat will be offered to the next candidate on merit list.

The request for extension of time limit for payment or to accept partial payment will not be entertained under any circumstances. The candidate admitted to the college may be required to execute an agreement in the Proforma (Annexure II) which will be given to him/her at the time of admission, to cover the tuition fees for the remaining years of the duration of the course to which he/she is admitted.

14. Selection Process

Candidates who secure minimum 50% marks at AICET - 2009 PG and satisfy the eligibility norms laid down by respective councils shall be eligible for admission to Medical / Dental / Physiotherapy P.G.

Courses and would be offered admission to these courses on the basis of inter-se-merit at the time of counselling. For details refer to paragraph (15)

15. Counselling

- The AICET - 2009 PG merit list shall be a list of the candidates who have secured minimum 50% marks in the Entrance Test. Mere inclusion of a candidate in the merit list would not entitle every candidate to present himself / herself for counselling.
- Candidates short listed for counselling will be informed about the time and date of the counselling by letter sent under certificate of posting and will also be displayed on web site www.pravara.com.
- The Counseling session will be conducted at Pravara Institute of Medical Sciences, Loni 413 736, Tal- Rahata, Dist – Ahmednagar, (MS), INDIA.
- Candidates will be called for counselling according to merit list. At the counselling, the eligibility of the candidate for admission shall be verified from the original documents and those found eligible will be offered admission.
- In the process of selection, the candidate will have to exercise an option for the course. The admission to various available courses will be offered to the candidate. The candidate will have the right to choose any one of the available seat commensurate with

his / her rank in the merit list and the same will be allotted to him/her.

- Candidates selected for admission will have to make full payment of fees as mentioned in Table (3) of para (13)
- The physical presence of the candidate and his/her guardian at the counselling is essential. If a candidate is unable to present himself/herself for counselling on account of unavoidable circumstances, he/she may authorise another individual to represent him/her. The said representative must carry with him / her the authorisation letter given by the candidate in the format given in the prospectus (Annex I) and bring all the original documents for verification and pay the fees immediately if the candidate is found eligible and offered admission.
- Absence of the candidate/representative at the time and date given to him/her will result in instantaneous cancellation of his/her claim for admission OR those who reject the available seats for allotment OR those who do not join allotted course OR fail to pay the prescribed fees at the time of counselling shall forfeit claim for a seat and will not be considered for subsequent round(s)
 - The candidate selected and offered admission will have to execute an agreement for remaining course fees for the period of completion in the prescribed format.
 - Only the candidate and the authorized representative will be allowed in the Counselling Hall.

- Asking a candidate to report for counselling does not mean that he/she will be admitted to the course. The actual admission will depend on the number of seats available when his/her turn comes in order of his/her inter-se-merit.

- Candidates will have to report for counselling at their own cost.

- **The counselling will be conducted according to the schedule which will be displayed on PIMS website on 20/02/2009.**

- In case of any dispute in the matter of allocation /admission or any other matter pertaining to the provisional selection or cancellation of admission, the decision of the Pravara Institute of Medical Sciences Authorities will be final and binding on the candidate.

- Canvassing directly or indirectly for allotment of seat or adjustment will disqualify the candidate for admission.

16. Subsequent Round (s)

The Controller of Examination will issue notification (s), which will be available on website www.pravara.com if the necessity of such round exists. After such declaration, vacancies/left out seats, if any, will be surrendered back to the management.

The decision of the Vice-Chancellor shall be final in this regard.

21. Court Jurisdiction

All legal disputes including the conduct of PIMS-AICET-2009 PG and admission procedure to constituent colleges of Pravara Institute of Medical Sciences are subject to the jurisdiction of the Courts at Rahata/ Shrirampur and high court of Bombay,

bench at Aurangabad, with advance legal notice of one month to PIMS.

22. Disclaimer

Pravara Institute of Medical Sciences, Loni has not authorized any individual as agent or agency to deal with the admission in their constituent colleges. The University will not be responsible for any activities of such individual agents / agencies.

It should also be noted that the contents of the Prospectus are subject to changes as the University may deem fit. Changes, if any, shall be notified on the web site of the University.

23. Ragging

Ragging within or outside the educational Institutions is strictly prohibited. Ragging is criminal offence under the Maharashtra Anti - Ragging Act. The University has already framed rules and regulations in this regard and students involved in ragging will be subjected to such disciplinary proceeding including filing of a case as prescribed.

GUIDELINES FOR ENTRANCE TEST

Pattern of Entrance Test

The AICET - 2009 PG will have one question paper. The test will have duration of three hours and would comprise of 200 Multiple Choice Question (MCQ) of the objective type. Each question will carry one mark and the medium of entrance test will be English only. The syllabus for the entrance test is of M.B.B.S. / B.D.S / B.P.Th graduation level.

Regulations at the Test Center

The examination hall will be opened 30 minutes before the commencement of the test. Each candidate is allotted a hall ticket having seat number. He/she should find out and occupy the seat with the allotted number. The invigilator at the examination will start giving general instructions 15 minutes prior to the commencement of the examination. Candidates must carry their Hall Ticket with them and produce it on demand while entering exam hall. Candidates will not be allowed to appear for the test if they do not carry a valid Hall Ticket issued by the Deemed University. The invigilator will check the Hall Tickets of the candidates during the test to check the identity of each candidate. Simultaneously, the candidates must sign the attendance sheet and declaration on the

answer sheet in the presence of the invigilator. The invigilator will also put his/her signature in the place provided in Answer Sheet on front side.

At 2:45 PM the candidates will receive an Answer Sheet. They must ensure that the Answer Sheet they have received is correct and properly printed on both sides.

At 2:55 PM the candidates will receive a Test Booklet for AICET - 2009 PG. They must ensure that the Test Booklet received by them is correct and printed properly. Each Test Booklet has a specific five-digit Test Booklet number which should be entered in the Answer Sheet and also darken circles at the appropriate place.

No candidate will be allowed to enter the examination hall after 3:00 PM. Candidates will have to remain seated in the examination hall till the completion of the duration of the test. Once candidates leave the hall they cannot return under any circumstances. Candidates are expected to maintain silence during the whole examination. Any conversation or gesticulation or disturbance in the examination hall shall be deemed as misbehavior.

The Admission Committee will take strict action against the candidates, who use unfair means or impersonation. Such candidates will

be asked to leave the examination hall immediately and they will be liable to be debarred from taking examination either permanently or for specified period to be decided by the University. The Admission Committee will reserve the right to withhold the result of such candidates.

Candidates have to put their Hall Ticket number in appropriate places on the answer sheet by ball point pen. Instructions will be given in the examination hall to make these entries. All the entries of MCQ's must be made using a **HB Pencil**. Wherever the entries have to be marked in the circles, it should be done by completely darkening the corresponding circles.

The candidate will be solely responsible for putting in wrong Hall Ticket number and the Test Booklet number on the Answer Sheet. If these entries are made wrongly, then the Answer Sheet will not be evaluated. Candidates must stop marking the answer when the warning bell is rung at the closing time. After completing the test and before handing over the Test Booklet and the Answer Sheet, the candidate should check again that all the particulars required in the Test Booklet and answer sheet have been correctly written. The candidate must ensure that the Hall Ticket Number and the Test Booklet Number are correctly written in the answer sheet. The answer sheets of the candidates who do not submit the Test Booklet before they go out of the examination hall will not be evaluated. Such candidates will be debarred from writing the test in future.

Candidates will not be allowed to carry any test material (printed or written) or any other material except the Hall Ticket inside the examination hall. Candidates are also not permitted to carry any device that is likely to be of unfair assistance like calculator, cellular phone, pager, electronic gadgets etc. Smoking in the examination hall is strictly prohibited. Any kind of eatable or drink is not allowed into the examination hall.

Marking of Answers

Each Multiple Choice Question will have four responses labeled A,B,C and D. Only one of the four responses is the correct or most appropriate answer. Candidates should indicate the correct or most appropriate answer by darkening the appropriate circle completely. The questions can also be in form of incomplete statements. The candidate should mark appropriately one of the four responses, which completes the statement.

If more than one circle is darkened or if the response is marked in any wrong manner other than circle it shall be treated as wrong answer. Candidates must ensure that the Answer Sheet is not folded and they make no stray marks on it. If pencils other than HB are used to mark the answers, the Optical Scanner on which the Answer Sheets are scanned can reject the Answer Sheet. Candidates must bring their own pencils, erasers and sharpeners. They are not allowed to take, borrow anything from the other candidates during examination. The order of

questions is not the same in all Test Booklets and they are jumbled. Candidates should never change their Test Booklet during the test.

Changing the Answer

If a candidate wants to change any answer on his/her answer sheet, he/she must erase completely the existing pencil mark and then darken the appropriate circle with HB pencil. An answer will be treated as wrong if there are marks on a circle other than the circle for the correct answer. Also a lightly or faintly darkened circle will be treated as wrong answer and will be rejected by the Optical Scanner. Candidates are advised to decide about the correct answer before they mark it on the answer sheet. This would save some valuable time, which would otherwise get wasted in erasing the marks and re-doing them.

Rough Work

If a candidate wishes to do some rough work, the same should be done in the Test Booklet itself. It should not be done on the Answer Sheet.

Scoring

Each question carries one mark. There is no negative marking. An answer marked incorrectly will be considered as a wrong answer. No request for revaluation or re-checking will be entertained.

Vigilance

1. The University Observer / University Representatives appointed by the Vice - Chancellor to visit the Center of All India Common Entrance Test will

a. Ensure that the AICET is conducted as per norms laid down by the University.

b. Observe whether the Center Incharge, Senior Supervisor and Bolck Supervisors are following scrupulously instructions for conduct of the AICET.

c. Identify the students who try to resort to malpractices at the time of AICET and report to University Authorities.

2. The University Observer is authorized to visit any Examination Center without prior intimation and enter office of the Incharge of Examination Center to check the record and other material relating to the conduct AICET. They can enter in any block of the Examination for checking the candidate's identity, Hall Tickets etc. to ascertain the authenticity of the candidate. The university observer is authorized to detect use of malpractices and unfair means at the AICET Center; and if found guilty, University observer is authorized to expell such candidate from the examination block and report to the Vice-Chancellor. The action taken by the University Observer will be final and binding on the candidate.
