## **CHRISTIAN MEDICAL COLLEGE, LUDHIANA**

The Christian Medical College, Ludhiana is a Christian Educational and Research Institution established, maintained and administered by Christian Medical College Ludhiana Society (Regd.) of Christian Churches and Christian agencies in India.

In 1953 the college started the MBBS program affiliated with Panjab University, Chandigarh admitting men and women students. Since July 1999 the college has been affiliated with Baba Farid University of Health Sciences, Faridkot. The Post-graduate program started in the Sixties. The college offers Post-graduate Diploma, Degree, Super specialty and Doctoral courses.

### **PHILOSOPHY AND OBJECTIVES OF THE INSTITUTION**

Christian Medical College Ludhiana Society, on behalf of the Church, seeks to contribute to the health needs of India by training primarily Christian Medical, Dental, Nursing and other health professional students and by providing holistic health services to the community and the nation, with people of the Christian faith serving in Christ's name alongside with those of other faiths, who identify with these aims and goals.

In fulfillment of this objective the Society has established the Institution (Christian Medical College, Christian Dental College, College of Nursing, College of Physiotherapy, Hospitals and other units) as a Christian Institution in name, content and character.

In furtherance of the above affirmations, the Christian Medical College, Christian Dental College, College of Nursing, Hospitals and other units are administered as an educational and research Institution of an all India character, run, managed and administered by Christian men and women as health professionals, to the highest standards and in the spirit of Jesus Christ, for the healing ministry of the Church in India.

Staff of all faiths shall live and serve together in the Institution in an atmosphere of mutual respect, trust and love.

In this atmosphere of mutual trust and understanding, all the staff shall together strive to create a climate of excellence that is marked by a sense of God's presence and action in their corporate ministry in the Institution.

The primary mandate of post graduate training in Christian Medical College Ludhiana is to provide excellent, comprehensive training to graduates for the advancement of medical knowledge and for the healing ministry in India, focusing on the people in remote parts of the country served by the mission hospitals.

All Postgraduate students are expected to register themselves with Baba Farid University of Health Sciences. They must present a thesis research plan within 6 to 9 months of registration. The Thesis work must be adequately supervised and a half yearly report submitted to the principal's office. The final thesis submission must be completed at least 6 months before the final examination. The postgraduate training is structured to rotate through all subject related specialties. The students

must maintain a logbook of their training and submit it to the principal's office. The academic training should include adequate participation in seminars, conferences, journal clubs and other academic fora.

All training courses are in service training and all candidates once admitted will have to abide by the rules of this institution as would be explained to them on admission. Failure to do so will draw necessary action which may include discontinuation of training for a period of time as may be deemed fit by the administration.

**The appointments are done as follows:**

1. P.G. Resident- For clinical subject-appointed by the Medical Superintendent.
2. P.G. Demonstrator- For Para clinical & pre clinical subject appointed by the Principal.

**Stipend for P.G. trainees \***

A P.G. Resident / P.G. Demonstrator is entitled to receive stipend of Rs. 13,000/- every month during the course of the training
